Quint ns nv – Internet Pricing
ONS - Release MAY 2001

- Official Domain name registration for .be
If domain available, we register this with the Belgium DNS authorities, for .be

First year	86.8 Euro - 3.500 BEF (TVA included)
Second year and beyond	61.9 Euro - 2.500 BEF (TVA included)

We have control on nameserver records. And the license is available to the client, even if registered on our name (for technical reasons)

Invoice is send on client request.

- Domain parking – 1 Page hosted by Quint
If domain registered via Quint, then we will not charge the client for having this domain parked (for future use by client) on our systems. A welcome page will be displayed

1 Page	Free
--------	------

- Email hosting by Quint, remote POP3 access.
Each email account will receive an account, and password for the alias, or mailbox.

1 mail account	5 Euro per year (TVA included)
----------------	--------------------------------

1 full mail box	350 Euro per year (TVA included)
-----------------	----------------------------------

- WEB Space hosting on Quint Internet Systems

We fully host the webspace and email on our Internet infrastructure. The WEB space is not limited, but will be handled by us with common sense.

WEB Host	90 Euro per year (TVA included)
----------	---------------------------------

- Email forwarding by Quint

If the domain is parked on the Quint systems, we can provide email forwarding to an existing email address.

Email forward	5 Euro per year, per Email address
---------------	------------------------------------

We have message size limitations if mail exceeds quota.

- **SMS** Mail notification for urgent mails

If the client has a POP3 mail box on our systems, then we support the SMS notification (**Only for proximus** subscribers).

The client can have a special email address on his official domain for urgent SMS notifications on his phone.

(Example : alert@quint.be)

This excludes the email address itself, see email pricing.

SMS Email	3 Euro per year (TVA Included)
-----------	--------------------------------

- Dynamic name registration by **dnsd.be**, Quint

First year	1 host 7.5 Euro (TVA included)
Extra names	Per host, 5 Euro (TVA included)

For each paying client advising, another paying client, we have a referral of 1 Euro, payed on a Belgium bank account.

Invoice is send on client request.

- WEB Design – Company presence on the web

WEB hosting is done on based on consultancy rates. Web consultancy rates are 25.000 BEF per day
